Helen Akau has filed a complaint in the Circuit Court against Katie Stillman asking for a writ of ejectment. The plaintiff alleges that the defendant has unlawfully occupied land at Kamakela. Damages of \$500 are asked.

In the matter of the Estate of R. W. Holt, Judge Gear this morning permitted the discharge of Henry Smith as executor and his bond was ordered cancelled pending the examination of accounts. W. Ashford moved for the appointment of Carlos Long but this was opposed by A. G. M. Robertson, who suggested the name of Theo. F. Lansing. The matter was laid over until Monday for argument.

TAX APPEAL COURT IS SLOW

NO DECISIONS BY THE COURT ARE EXPECTED BY HOLT BEFORE OCTOBER.

The Tax Appeal Court is a great body and great bodies move slowly. Although it is weeks since the evidence on different appeals was taken no decisions have been given as yet. Assessor Holt was asked about the matter today and he stated that he did not expect any decisions until early in October. The delay, he said, was unusual but he had spoken to the members of the court and thought that something would be done when the stenographers' notes were fully extended.

GAVE UP CONEMAUGH

THE CRUISER TACOMA REACHES THE OTHER SIDE WITHOUT FINDING A TRACE.

WASHINGTON, September 14.—The Navy Department is informed that the cruiser Tacoma, commanded by Commander R. E. Nicholson, arrived at Rio Janeiro yesterday, having cruised from San Francisco down the west coast of South America and around to the Brazilian port in search of the missing steamer Conemaugh, which has not been heard from since her departure from a Chilean port several months ago. The Tacoma failed to find any trace of the missing steamer, and has practically abandoned the search. She, however, will continue her cruise northward to the West Indies and possibly may be attached to the Caribbean squadron.

S. T. ALEXANDER ACCIDENT OLD

INJURY FOR WHICH FATAL OPERATION WAS PERFORMED OCCURRED LAST WINTER.

OAKLAND, September 13.—Out of respect to the memory of S. T. Alexander, news of whose sad death was received yesterday, the musicale which the Social Settlement had planned for Friday afternoon of this week has been indefinitely postponed. Mr. Alexander was one of the most generous of the Settlement's benefactors, and his kindly interest as well as his substantial assistance has meant much to the club.

Last winter Mr. Alexander sustained the accident that was the indirect cause of his death. To regain his lost health he left for an extended trip around the world, accompanied by his daughter, Miss Anna Alexander. For some time he seemed to improve, but a short while ago began to sink and finally passed away. His daughter was at his bedside when he died. His body will be buried at Victoria Falls, South Africa, where he died.

AMERICA MARU WILL ARRIVE.
H. Backfield & Company received cable advices yesterday announcing the departure of the S. S. America Maru from Yokohama for Honolulu and San Francisco yesterday. She has 900 tons of freight for this port.

EMMELUTH WILL NOT MAKE FIGHT

DECIDED YESTERDAY NOT TO ALLOW HIS NAME TO BE PLACED IN NOMINATION.

Another blow has fallen upon the Democracy. Another man has had to throw up his hands and announce that he will be unable to start in the legislative campaign. John Emmeluth is the man who will be unable to be a candidate for the house of representatives. Private business that requires his attention is the cause for his withdrawal. Emmeluth would have been one of the nominees from the Fifth District for representative as his name had been favorably acted upon by the Fifth District caucus several nights ago. His nomination would have been unanimous, as he was regarded as about the strongest man that the party would nominate from the Fifth District. He is a white man but was acceptable to the natives of his district.

With the withdrawal of Emmeluth, the party will have vacancy to fill on their Fifth District ticket. No name has been suggested as yet but as there is to be a caucus tonight the matter will probably be settled then.

THE COURT IS PUZZLED

EXTRAORDINARY VERDICT OF THE JURY IN THE KAHILI CASE—A CASE WHEREIN THE CHARGE WAS MANSLAUGHTER AND THE JURY FOUND A VERDICT OF ASSAULT AND BATTERY, IN SPITE OF FATAL RESULT OF ASSAULT.

Dan Kamai Kahili, accused of manslaughter and convicted of "assault and battery, with a recommendation to the court for mercy," stood up in Judge Gear's court this morning for sentence.

"This is a most extraordinary case," remarked the judge, "in fact I have not met with one presenting more curious features. The accused was fighting with another man, who met his death by receiving stab wounds during the fight. If the accused assaulted the deceased and the wounds inflicted by the assault were caused by that assault he was guilty of the offense of manslaughter, but if not he was innocent. He was either guilty as charged or he was innocent of any crime whatever. I cannot understand the verdict as rendered. I do not quite understand the recommendation to mercy either. I suppose a fine of \$5 or so and costs would be the heaviest punishment that should be inflicted under such circumstances, but I want to give the matter more consideration and will pass it over until Monday."
